3 From 4 As Yules Gain Momentum

The Howzat has had some technical difficulties over the past couple of weeks, but unfortunately we're back! The taller half of the editing duo has just fallen down a cliff in New Zealand, so the shorter half is here to catch up for the past two games.

3 wins from 4 games last week was fantastic, with the 4ths leading the way with an outright. Unfortunately the 1sts had their first loss for the season, but I'm sure they will bounce back. The juniors are unstoppable at the moment with both the 12's and 14's undefeated, hopefully we can get more support from the seniors to get down and watch them. Ask Jedda for the time and place (no pun intended), but I'm sure he'll tell you anyway.

Great to see the juniors coming through and doing well in the 4ths with Justin Poyser taking 10 wickets in the past two games, his brother Luke batting and keeping very well, and Ryan Hartnett making a valuable 21 last game. Special mention to Russell "Chooka" Felthouse for making 70 odd in the seconds and also in his first game with the club, and Daniel Barnes for taking 10 wickets last game in the fourths. Now that we've had a few games to warm up it's time to see some batsmen making triple figures and some bowlers getting big hauls. Just comes down to the basics as ganno has been saying, so get down to training as often as you can and work on them.

Sponsorship (reminder #4)

Yet again ALL players are reminded that you need to find a sponsor for the season. Scooby has done a fantastic job so far so help him out and get yourself a sponsor. The club has had a lot of expenses of late and needs the money to keep providing you with the best club in the competition.

Membership (reminder #3)

Pay part of your membership tonight. No really, do it.

Senior Player:	\$100
Student:	\$50
Junior:	\$20
Social:	Best offer

Quote of the Week

At the Banyule vs Yarra Valley game in the 3rds Scott Butler was seen with grass stains on his knees. Irene said to him "Scott, you're always on your knees." Scott tried to say something in response but could not be heard over the laughter of his teammates.

Special mention

A few special mentions this week.

- ◆ Special mention to Ando for manning the canteen on match days so far. Injured and frustrated, but still there to keep the club's finances ticking over.
- ◆ All those who have prepared Thursday night dinners for the boys, it is very much appreciated by all. Hopefully we can keep finding volunteers for this task.
- ◆ To Kerry and the beast on the birth of their first child Tahlia. Both mother and daughter are doing well.
